

**The list of designated medical institutions whose guidance is available in English  
as of April 1, 2024**

# Please book both Checkups and cancer screening at the same medical institution. In regard to stomach cancer screening, you can take it at a different medical institution if you get Checkup at a medical institution that does not have stomach cancer screenings. Please make an appointment to medical institution.

The contents are subject to change. For details, please check with your medical institution.
