

The list of designated medical institutions whose guidance is available in English as of April 1, 2025

Please book both Checkups and cancer screening at the same medical institution. In regard to stomach cancer screening, you can take it at a different medical institution if you get Checkup at a medical institution that does not have stomach cancer screenings. Please make an appointment to medical institution.

The contents are subject to change. For details, please check with your medical institution.
