Taking out Recyclables and Waste for Offices and Shops

For recyclables and waste from offices and other such institutions, please properly conduct disposal by commissioning a contractor that has been granted permission. However, the city may take waste out for a fee if the total amount is less than 50 kg per day on average.

- When taking out recyclables or waste, please follow the rules (sorting, days and times to take out, etc.) of Chiyoda City.
- For recyclables, waste and plastics from offices, please affix a “Chiyoda City Charged Waste Disposal Ticket” (Sticker) for the proper amount. Items will not be collected if this is not affixed.
- For recyclables and waste, please separate waste from business offices and shops from waste from households. If the wastes are mixed, they will all be charged.
- Please outsource to certified waste disposal contractors for disposal of large volume of waste derived from businesses.

Recyclables and Plastics (for a fee)

- Newspapers, magazines
- Copy paper
- Cardboard boxes
- Other types of paper
- Bottles, cans, plastic PET bottles, plastic (objects 30 cm or under)
